Year 4 – Ottery

Starting on Friday, Ottery class will be taught by Miss Rendall. Mr McGirr will no longer be teaching at Carbeile.

Vaping!

Could I please ask that the Carbeile Junior School site remains as a 'Smoke Free' zone, without any smoking of any kind, including vaping. Thank you.

Mixing Up

For your information, the Year 3 classes will be mixed up in preparation for Year 4 and the current Year 4 classes will be mixed up and split into 4 Year 5 classes to ensure smaller classes.

SATs

Obviously there has been much talk in the media about the SATs. I would like to thank all of the parents who have supported our efforts to prepare the children for their Year 6 SATs through sending their children in early for boosters and through the numerous messages of positive reinforcement I have received over the past week. One of the main reasons the school is getting such good comments from external monitoring is due to the hard work of the staff, the wonderful learning attitudes of the children and the support of the parents. When all stakeholders work together for the best of the children then the results speak for themselves. Thank you.

Website Galleries

A new addition to our school website is the 'Gallery' section. This is newly formatted so that all teachers can now put photographs of their class doing some of their learning and it can be assigned to a year group and then titled with their class. These will be updated intermittently so keep checking these out.

Calendar

Remember that dates and times for key events at the school can be found on the website. under 'Parent Zone'. 'Calendar'.

Meet the Teacher

After the success and fabulous feedback from last year's event, the children will be spending the day with their new teacher when the Year 6s go to TCC for the day on Wednesday 22nd June. This will also be an opportunity for you to come in to school for the afternoon and meet your child's new teacher. Therefore, please come and join us anytime from 1.15pm and share in your children's learning for the afternoon and meet their new teacher.

Lets Celebrate

Don't forget to celebrate

Remember that next week sees the next wave of exciting Celebration Assemblies to showcase the broad and balanced curriculum that your children have been learning (see dates below, all start at 2.30pm). Year 6 will not have had chance to rehearse their assembly after the SATs but are very excited about their end of year play.

Year 3 – 24th May
Year 4 – 26th May
Year 5 – 23rd May
