1	Great job throughout the whole staff.	1/26/2021 11:14 PM
2	Carbeile junior school have done an amazing job and have definitely adhered to government guidelines and kept there students as safe as they possibly can. The tutorials and YouTube lessons are easy for the students to understand x	1/26/2021 4:11 PM
3	Extremely happy with all your support and hard work	1/26/2021 3:05 PM
4	I'm very Grateful to Mr Hamlynn and staff. For allowing Jack and poppy Yeo to be in school :)	1/26/2021 2:52 PM
5	Support and communication has been amazing. It always has.	1/25/2021 5:50 PM
6	No	1/25/2021 5:42 PM
7	Amber has received a postcard from Miss Rooney but being at home without her usual outdoor activities causes a bigger strain on her. A bit of a check in and a reminder that she isn't on her own would be useful. Amber doesn't keep in touch with friends at home by phone etc as she usually plays out, so isn't interacting with many others. Although I answered satisfactory it is only due to comments already emailed. TeamCarbeile are doing a fantastic job under these circumstances!	1/25/2021 5:25 PM
8	All of you are doing an impeccable job regarding every aspect of home learning, student & parent support etc- so Thankyou so much!!! However Rosalie and I are currently working really well with current curriculum worksheets downloaded from Twinkl. I have been in touch with Mr Webb and he is happy with the situation. Many thanks, Gemma & Rosalie	1/25/2021 4:18 PM
9	.	1/25/2021 2:42 PM
10	Managing as best as possible with one parent working from home doing a globally demanding role and other parent working full time as a key worker so is away daily. Children interacting and achieving most lessons with limited support due to roles. Work will be sent sporadically dependant on ability to do so and will be in bulk usually. Thankyou for support and understanding with this. Keep up the great work :)	1/25/2021 12:09 PM
11	James would benefit from a video call from thrive maybe? He seems to be doing ok and gets on with his work hut he misses the contact with people. This week have started a new routine to ensure he is up for the meetings every morning.	1/25/2021 11:04 AM
12	The lessons and support have been amazing. We have tried to complete as much as possible while I am working full time too. Elsie-may just misses being in the school environment so much. Thank you	1/25/2021 10:45 AM
13	Carbeile have been amazing throughout the whole of the pandemic. I cannot thank all of the staff enough for their hard work and dedication towards all of our children. Well done Carbeile School.	1/25/2021 10:40 AM
14	Charlotte Bailey. I don't know how you could help but this is a lonely time for Charlotte. Unlike last lockdown when dad was furloughed, this time he has to work full time, away from the house. I have to work full time also, at home, so she is forced to do her school work alone. She is doing very well and is a good girl about getting it done, but I do feel she is lonely. Like I say, this isn't your fault or something you can necessarily help with but I just wanted to let you know.	1/25/2021 7:26 AM
15	I can't praise you all enough! The extra provision support and understanding as Sol is under Sen has been brilliant / outstanding .You have all made myself and especially Sol feel secure in his learning thankyou.	1/22/2021 6:26 PM

17	Sophia usually finishes early and she sometimes won't do more if it is not on the list Could do with help for Felicity	1/22/2021 1:36 PM
18	As per previous child at present the emotional aspects are being managed well at home , there may come a time when extra support is required .	1/22/2021 1:15 PM
19	Couldnt ask for anymore than you already do	1/22/2021 1:10 PM

for the work at the beginning of the week to print off as we don't have a printer but we can get a family member to do it. The sheets being in front of him has made it slightly easier but he is still struggling we are worried he will fall behind and that we are not teaching him properly but he is really trying his best.

21	Excellent communication as always Carbeile ! Thanks everyone	1/22/2021 12:20 PM

28	Joseph Rushton. Doing a great job all round. If there's any way for them to do some activities away from the computer screen that would be great as he is spending several hours a day looking at the screen for his work.	1/22/2021 11:49 AM
29	Use of teams meetings are great. Really useful having a virtual 'registration' in the morning. Would it be worth having an afternoon one as well? Although understand children's routines are different. Assemblies are great - kids really look forward to watching them	1/22/2021 11:49 AM
30	Well done keep up tge good work ☺	1/22/2021 11:47 AM

33	I think the school has given fantastic support to all the children and parents, Sadly i feel ive not been able to help Harvey Elliott as much as I would of liked to ☹ I think I need to go back to school ☹	1/22/2021 11:33 AM
34	I think that you are all doing an awesome job, thank you	1/22/2021 11:28 AM
35	I would like to say how amazing support school has been for Archie for the 2 days I'm working. He was quite apprehensive about having to go in but he's had a great time so thanks to all staff who support with it, being able to have the social time at lunch and breaks has really benefitted Archie - he was really missing that contact.	1/22/2021 11:27 AM
36	I think you are all doing a brilliant job, thank you. My biggest challenge is keeping Tilly on task. Once she has access to the laptop she is busy watching non-school related content. Where possible I'd welcome as much worksheet based learning as possible - purely so I can print it off, switch off the laptop and have Tilly get the work done in a fraction of the time. I appreciate this approach wouldn't work for all, and that you have the challenge of catering for a wide spectrum of needs, but where possible more non-digital learning would be good. Thank you once again, and keep up the fantastic communication :-)	1/22/2021 11:27 AM
37	None	1/22/2021 11:26 AM
38	A little more work each day would be good. A massive thank you to Mr Long and Mrs Maynard for their excellent support during this lockdown.	1/22/2021 11:24 AM
39	I think Carbeile are doing a fantastic job and feel very fortunate that my child gets to have all this support from her school through lockdown :)	1/22/2021 11:23 AM
40	I think Carbeile are doing a brilliant job, the teachers are on hand if required & feedback from the work completed which is a boost to the children when they have put in the effort. Thank you.	1/22/2021 11:19 AM
41	I think all the teachers are doing an amazing job and are a real credit to the school. Thank you ☺	1/22/2021 11:19 AM
