COVID QUESTIONS

We asked some people in Carbeile what they thought about Covid (aaaaaaaaahhh!!) and what they think now. We asked Mr Nicholson and Freddie W.

Mr Nicholson said "I missed teaching and missed my Mum and Dad. Also I was very bored and so was my family." When we asked him how did Covid effect you? Freddie said that "I was stuck inside all day and it effected my handwriting." The next question was how was the online learning for you? "Hard! The WiFi kept cutting out so I could not do any work!" said Freddie annoyed. "It was great to see all the children on the team calls in the morning and I was really proud of all the children who sent me work," said Mr Nicholson proudly. The next question was was there more distrations at home than then school? Freddie said "No. there was less distrations because there was less people at home." The next question was what was it like coming back? "Good because I got to to see every one again!!" Mr Nicholson said.

CRACKING CHRISTMAS IDEAS:

Fancy doing something different over the holidays?

Try these out:

- Build a fort out of sheets.
- Paint a picture for a friend or relative as a gift.
- Bake some yummy festive treats (BBC Good Food have loads of great recipes, including vegan and gluten free ideas!)
- Christmas craft: go on a chilly winter walk and see what leaves or shells you can find. Can you make a festive scene out of what you've found?
