PADL (Promoting Active Democracy Loudly)

And in the middle of it all we have the new uniform. Obviously, we are so excited about this and what it means for the school moving forward. The children are going to look so smart and modern, ready for what the new year throws at them.

And throughout it all, there has been the unwavering support from all of our stakeholders. Our staff have been superb during the year in all aspects, facing challenge after challenge and never letting it disrupt what is best for the children, and our governors have continued to give their time voluntarily to have a huge impact on the school. And of course the children have been their usual awesome selves - what a great advert for the school they are. A huge thank you then goes to you, our fabulous parents. You support our decisions, you support your children in their learning and you help make Carbeile a wonderful community. Thank you for everything you have done this year, we are so grateful for all you do.

I hope you all have a very well-deserved summer break, we look forward to seeing you all on Wednesday 7th September (and check out our final newspaper, thanks Jackson and Evelynne).

### **Parent Survey**

In preparation for our Vision and Values day, we would really value your input into this one question survey. Please select the 5 words that you feel best encompass our school moving forward (or add your own at the end). If you are free on the morning of September 6th then we would love you to come and give your views for our revisioning session.

We have had 85 responses so far. Could you please fill this in if you haven't already. Thank you.

### **Looking forward to September**

There are a few things that will be different in September.

- The uniform will obviously have changed, remember to see me or email me if you are at any point struggling financially with any aspect of this.
- The dates for the new term are below.

- We will have 2 new lunchtime supervisors from September, Mrs. Shaw-Bishop and Mrs. Rapley will start on 7th September.
- We will have a new feedback policy to ensure that the children get the best possible feedback in the most efficient manner. This will replace our marking policy, and more will be said on this in September.
- More will follow next year...

### Year 6

It has been such a pleasure seeing our Year 6 children grow into the wonderful young people that will be walking out of the green gates for the last time this afternoon. All members of staff are so invested in our children that it is quite emotional when they leave us; they have been hard working, full of personality and, how did the play put it, spirited, unique and interesting!!

As I have said before, our goal is to fill them with as many skills and as much knowledge as we can so that they are prepared for the next stage in their education journey - our year 6 children are ready, and I know that they will thrive in their year 7 setting.

Good luck Year 6, you have done us proud. Stay in touch and let us know how you are getting on.

(The photo below is just one to showcase the uniform for our archives).

### **SEN Support Packs**

As part of our provision to support children with additional needs, this summer we are sending some of the children home with a '6 Week Summer Pack'. The pack contains 6 activities - they can open one special envelope every week over the holidays! The packs are designed to encourage children and families to talk about the Autumn Term – so children are able to spend time processing any changes and new routines before they start the new year.

Often children with additional needs need regular short reminders to any changes or new routines – conversations little and often over the summer holidays will help them to maintain a connection with school, will give them time to work through any emotions they are feeling and will help them to develop a sense of security and acceptance.

We are running free and paid sessions over the Summer Holidays as part of Holiday activity and Food Scheme.

The sessions are free for children on free school meals or in care.

We still have 18 places available on this course, on a first come first serve basis.

If there is any further information you require please don't hesitate to ask.

### **School Works**

Over the holiday, we have contractors in to renew a lot of our fire alarm systems and to hopefully replace our boilers. We were awarded a lot of funding for this to take place, but this might affect the times we can open over the holidays in case you need anything in school.

### **ParentPay**

It is vital that you clear all debts from ParentPay before the end of the term. Children will not be able to have school dinners in September if they start with a negative balance.

### **Learning Power Quote of the Week**

Something different for this term - some great quotes that link so well to different aspects of our learning, both as adults and children.
