

SPRING NEWSLETTER 3 – 19.01.2024

Hi everyone,

What a chilly week it has been, minus 6 on the way to work this morning and yet still none of the white stuff...boo!! If anyone else tells me it's too cold for snow I might scream!

I have loved all of the goings on at Carbeile this week. Year 6 looked fabulous dressed up for their World War 2 day with the most amazing activities including being led to the 'village hall' to be met by the billeting officer to be chosen by a family once they had been evacuated. They were totally immersed in the experience.

All week we have been holding our Pupil Performance meetings with all teachers. This is an opportunity for the senior leadership team to discuss every single child with their class teacher – how they are getting on in class, their attainment, their progress, their barriers to learning and their behaviour. These are the highlight of the term for me as I get to talk about everyone and check that all children's needs are being met. I can assure you that they are!!

And then yesterday, we had a full governing board day where all governors attended and we discussed the positives and also any challenges we face at the moment. Our governors are all volunteers, and we are very grateful for all they do at school.

Have a very lovely weekend.

Take care

Mr. H

If you need help, please ask!

Dear parents

The charity CAP (Christians Against Poverty) has been helping people in Liskeard, Plymouth and Looe for many years and has now expanded to be able to help people who live in postcodes PL10 and PL11. We are an award-winning charity that helps people out of their debt. As well as the expert advice about getting out of debt, we support you emotionally, taking into account your wider circumstances and any additional requirements you may have. We visit you in the comfort of your own home (or elsewhere if you prefer). We work closely with the local jobcentres, social workers, social prescribers, community hubs and the foodbank, amongst others. It is completely free and is funded by thirteen local churches across the Rame and Rivers Churches Group (including St James, Torpoint). Please see the attached leaflet with more information about how we can help. We encourage you to make that call to start your journey out of debt. Just call freephone 0800 328 0006 to make that first appointment with your local Debt Coach.

School Meals

This week, we have consulted all pupils about what they would like their school meals to look like after half term. We gave them a long list of options and asked them to vote for what they would like. They then gave some suggestions of their own and voted for them too. This will therefore mean that we end up with a three-week menu that the children have effectively chosen themselves. Mr. Ford and Mrs. Hadland will then look at how we can make these meals amazing for our children. If you have any feedback after half term, please let me know.

Amazing Children

Immy and Isla in Year 4 have been doing some wonderful fundraising for our little piggies. Well done girls, you're amazing!

Rhys in Year 6 has decided to cut all his hair off in aid of Dementia UK, a charity that means a lot to Rhys and his family. This is always such a selfless thing to do and I am so impressed with Rhys' fabulous mature attitude. Well done Rhys, what a star!! If you would like to donate...

Recycling

In case you didn't know, we have a recycling point for all old batteries in reception.

Piggy Patrol

It will be Fistral class next week so if you would like your child to start this, they should bring their wellies in on Monday.

Dates for your diary
