

Hi everyone,

Well, the yellow thing in the sky has suddenly put in an appearance (sporadically of course) which has at least meant that the children have been able to go out for some break and lunch. This makes such a difference to the children's behaviour and their mental health.

We have had such a busy week with some pretty big events taking place. Firstly, a huge thank you to all of the staff who have given up their time last week and this week to give the children such wonderful experiences. We had a very successful Songfest last week and of course London as well (see below). Then there has been a Year 5 and 6 swimming gala, a Cornish trip to the library on St. Piran's Day and even a 13-1 win for the boys football team this week! I am so glad to see so much going on that enhances the learning experiences of the children.

And of course yesterday we had World Book Day. We haven't dressed up for a couple of years (and there has been a lot of quite negative press this week regarding schools asking children to dress up) and the children looked amazing, with some fabulous reasons for why they have chosen to dress up as that character. Please remember that we would never ask parents to spend money on anything like costumes for something like WBD. They can be very minimal with an amazing piece of writing why and still win their class. We can always help with this if you need it.

Have a great weekend.

Mr. H

London

I was so immensely proud of the children who came on the London trip last Friday. It was a long day filled with lots of walking, lots of talking and lots of eating but my goodness the children were simply amazing all day. They engaged brilliantly with all of the activities, they were polite and inquisitive during the Houses of Parliament tour and their behaviour was commented on on 3 separate occasions during the day. Well done to everyone who came, and a big thank you to Mr. Davey, Mrs. Cullerton, Miss Tullett and Mr. Rockett for making the trip such fun.

Pantomime Tickets

Just a quick reminder that we have very cheap pantomime tickets available for next January. Please come to reception to buy them if you would like to.

Please Note: Entry to the Eden Project is separate.

Tuck

Please remember that tuck is limited to healthy biscuits, fruit or a cereal bar. Also, we have a number of children who are forgetting snack (or not having one provided for them) and they are coming to the office asking if we can provide one for them. Unfortunately we are not in a position to do this for so many children.

Medication

A quick reminder that all dispensing is done on a voluntary basis and that all medication should be collected when the duration has expired. Please come in and collect medication that has been sat in the cupboard for some time, it's like Boots the Chemist in the office at the moment!! Policy states that medication should only be held for current illnesses.

Cross Country

It is with extremely great pleasure that I share with you the results from the cross country league this year. Check these out and revel in the magnificence of our awesome, resilient and collaborative team. I have heard such brilliant things about how supportive the whole team are towards each other and how well they have performed this year. Look at Darcy, steadily improving from 46th to 4th, Florrie coming 1st every time, Oliver and Taylor in single figures every race. And that's just a small selection. Every single child on the list below has shown courage and the Carbeile spirit when they have raced. Well done Team Carbeile!
