

SUMMER NEWSLETTER 9 – 21.06.2024

Hi everyone,

The children have really enjoyed the sunshine this week, with lots of outdoor play, lots of packed lunch picnics and lots of rounders! It does make a huge difference to life at Carbeile when the sun is out!

We have had a lovely week, with lots of Year 12 students from TCC doing their work experience with us – we have enjoyed seeing them work with the children (and see how much they have all grown up since they were all in Year 6). We had three exceptional Year 4 Celebration Assemblies, which made me a very proud headteacher – as always! And of course I have seen a range of learning to the highest standards: art, writing, Year 3 singing and ukuleles, maths and topic...simply awesome!

Have a great weekend (only 4 weeks and 3 days of school get ups left).

Take care

Mr. H

Sports Day

The weather forecast is (at the moment) looking changeable for Sports Day. So, just as a quick reminder if it goes ahead, Years 3 and 4 are 10am to 12pm, and Years 5 and 6 are 1pm to 3pm. Please bring a picnic blanket, some chairs and some snacks (just no alcohol please – there will be sniffer dogs!) and spend the day in the sunshine (hopefully) cheering on the children.

There will be an area running alongside the track and behind the finish line that will be roped off for safety reasons. Please can you make sure you do not sit anywhere near that, and that you don't do behind the finish line to take photos. Also, no smoking or vaping on site either, thank you.

Pascale in the kitchen will be cooking bacon for breakfast rolls starting at 9.30am and there will be sausages for sale during the day also. All are £3.00, so please bring some cash with you.

We are all really looking forward to Sports Day. It is a lot of planning and organisation, and the children love it!

Year 6 Fiver Challenge and Summer Fayre

We are going to do things a little differently this year with the Summer Fayre. As you will have read last week, we are really encouraging our Year 6 children to think about money and how to be responsible with it, but also how to earn it. Therefore, they have all started planning their money-making schemes either as individuals, or as groups (lots of fivers combined). We therefore thought that our Summer Fayre on Friday 12th July, starting at 1.15pm, would be an opportunity for all parents to take their children from class, and go to the range of stalls to spend their money and help the Year 6 children raise their profits. There will be different foods, drinks, games and crafts, all financed by the fiver that we gave the children this week. Hopefully, this will raise money for them, for the school and, most importantly, teach the children the value of money. There will of course also be a raffle.

Cooking Demo

On Monday 8th July, Sarah Riggs, a member of the Foodbank team, will be doing a cooking demonstration for the children in assembly. She will then be returning at 3.30pm to do another demo with parents. All parents who attend will receive a free bag of ingredients for the meal she cooks. Please come along and support this great initiative. So we can get an idea of the number of bags of food she will need to bring, please could you email me if you are interested in attending.

PINS Project

We have agreed to participate in the new **Partnership for Inclusion of Neurodiversity in Schools (PINS)** funded by NHS England in partnership with the Department of Education, Department for Health and Social Care and the National Network of Parent Carer Forums (NNPCF).

The purpose of the project is to improve the experience of mainstream school for children who may have an additional educational need.

The survey is for all parents and carers of children attending schools participating in the project. If you have more than one child attend the school, then you may complete the survey for the number of children you have attending

<https://www.surveymonkey.com/r/PINS-Parent-Carers-Survey>

All information provided will be stored, used and accessed confidentially in accordance with Data Protection legislation. The individual information provided will only be accessible to Parent Carers Cornwall, the parent led organisation involved in this work for Cornwall.

Your individual survey response will NOT be shared. The only time information will be shared is if it raises a concern for someone's safety.

A summary of the survey results will be shared with your participating school and PINS project partners from NHS England, Department of Education and NNPCF.

Due to being anonymous, this survey is not a suitable way to raise any specific concerns you may have about your child(ren) or their school.

Vacancy

We have a vacancy for a lunchtime supervisor on a 6.66 hour per week contract. If you are interested, please drop me an email. Thank you.

Family Learning

We are excited to tell you that we have a new programme of 'family learning' courses starting in the new academic year - relaxed, informal sessions for parents and carers to attend here at the school on topics to help you support your child's learning and development. Some sessions will be parents and children together, some will be just for the grown-ups.

Do you want the chance to chat, learn, share ideas and ask questions about your child's schooling, as well as drink coffee/tea, eat biscuits and socialise?

We can arrange family learning sessions on computer coding, literacy skills, ways to wellbeing, outdoor activities, maths methods...and more. All we need is YOUR interest!

What other parents said:

"We have learnt lots of ideas on how to make maths fun"

"I have gained a shared hobby and interest with my son" (computers)

"I have more confidence when helping my child"

"Thoroughly enjoyed learning again"
