

SUMMER NEWSLETTER 13 – 19.07.2024

Hi everyone,

We have had a little mini summer this week, though I'm sure it won't last, so make the most of it and hit those beaches if you can – it's very good for the mental health to get some vitamin D and some fresh air.

There has been a huge amount to celebrate in this last full week of the year. You can read about most of it below, but of course there has also been the year 6 show too. The children performed so well and I could see by the emotions from the parents in the audience that it is of course a big deal when your children leave one school to go to another. Be reassured that they are ready for the change! They will go to Year 7 full of confidence and Carbeile will be a speck on the horizon before long, as it should be. Good luck to them all.

A few reminders for the last week. Individual year groups will send letters if there is anything that affects them, but for all children there will be mufti on the last day of term. All children will also receive a small transition document too, just to reassure them over the summer and to remind them of who's who in their new classroom.

Have a great weekend (3 days of school get ups left).

Take care

Mr. H

Our Wonderful Community

Over the past week there have been three fabulous events that have highlighted what a superb community we live in. The TCC show, We Will Rock You, was simply stunning. 6 months of hard work culminated in a wonderful show with past Carbeile pupils scattered throughout. Even the band was made up of a past pupil drummer and a Year 9 student with a real musical talent. Then on Sunday, the Civic Service, yet again showed what a range of community groups we have with volunteers giving their time for our young people. It really was a very affirming service, with our children doing us proud with their poems. And then on Tuesday evening the TCC awards evening. Martine Blandin-Neaves did an outstanding job in organising and presenting it, and I was quite overcome to see so many past pupils enjoying so much success. At Carbeile, we lay some very important foundations for our children to then fly on at TCC and beyond. Thank you everyone for being a part of this.

Ice cream

A massive thank you to Wai and Audra for sourcing so much free ice cream; we will have raised a great amount for school this week - £426. **On Tuesday 23rd July there will be a repeat of this, but this time with money going to St. Luke's, the school councils' chosen charity this year.**

Lottery

We're nearly at 100 tickets, so if you haven't bought any yet, please follow this link <https://tinyurl.com/Carbeile-Lottery>

Lunches

A quick reminder that all lunches **have** to be ordered before 8.00am or a packed lunch needs to be supplied. We are having to sort more and more children on a Monday who haven't ordered lunch because they are being ordered too late. And also a reminder of the colours. We are still getting people ordering orange thinking it's just a baguette instead of the orange, blue or purple.

RED – Meat Option

GREEN – Meat Free Option

YELLOW – Baked Potato Option

PURPLE – Ham Baguette

BLUE – Tuna Baguette

ORANGE – Cheese Baguette

New Menu

Pascale has been working hard to develop a new menu for September. This will be placed on the website when finished and ParentPay will have the actual meal options on there from September, not the colours, so this will be much easier for you to order the correct items for your children.

Year 6 Fiver Challenge and Summer Fayre

We were all thrilled with the effort that all of the Year 6 children put into the fayre on Friday last week. Since the fayre, they have all handed their £5.00 back to me and they have done the maths to enable them to work out the profits they all earned. Including the raffle and the drinks, the Year 6 raised £830 profit. This is outstanding and is all their hard work, with very little help from the staff at all. I love that this has inspired some children to think of ways to make money in the future– the exact point of the exercise. Special mention to Rhys, Euan, Robert, Lilly, Rory, Flo, Oli and Thomas M for being our top earners.

Belonging

Check out the amazing poem that our iPupils wrote for the Civic Service on Sunday last week. It really does encapsulate everything we mean by 'Belonging'. Well done.

A SENSE OF BELONGING

By Carbeile I-Pupils

(Flo, Jasmine, Owen, Marty, Nieve, Aria, Maddox, Gracie-Anne, Erin, Jesse, Louise and David)

WE BELONG TO THE WORLD

In every land, both far and wide

As a global citizen, I will thrive

With an open heart and a helping hand

I'll find my home in every land

WE BELONG TO EUROPE

In every inch, whether close or wide

And in all the cities you can find

Peace and kindness in every place

Let's drop our swords and shields and mace

WE BELONG TO BRITAIN

With a cultural community- smart and kind

Across the country you will find
A beautiful landscape- green and blue
And a place to belong for both me and you

WE BELONG TO ENGLAND

In our luscious land, our rivers flow
From Newcastle down to Truro
Our country is filled with happiness and glee
From politicians to my community

WE BELONG TO CORNWALL

In Cornwall by the salty seas
With waves that crash so wild and free
The cool breeze drifts across the air
My county is nice everywhere

WE BELONG TO TORPOINT

This place by the river is our town
We often smile, sometimes frown
Our ferries are miraculous
Continuously carrying all of us

WE BELONG TO CARBEILE JUNIOR SCHOOL

Each year group has a helpful way
Every class being joyful every day
Although there are some ups and downs
We never want our teachers to frown

WE BELONG TO OUR CLASS

In my school, there's a place with grace
Like a home – a sacred place
Here to put a smile on my face
My classroom is the perfect space

WE BELONG TO OUR CLUBS

In this world, we're all together
Football, Swimming, Cubs forever

My clubs are special – they make me smile

Our time together is worthwhile

WE BELONG TO OUR FAMILIES

They provide us with love and the power to grow

Without them, I just do not know

Through far and wide, my warm glowing light

Guiding me through the world – day and night

WE BELONG TO OUR HOME

From places like Alaska to Rome

The place you belong most is your home

We all protect each other – you and me

Until our time is up and we go to thee

I BELONG TO MYSELF

I may not be big – I may be small

That does not mean I don't know it all

Just because I'm only one

I mean the whole world to someone
