

Geography 24/25 MTP

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
3	<p><u>Somewhere to Settle</u></p> <ol style="list-style-type: none"> 1. What did early settlers need? 2. What are the different type of settlements? 3. Why do people choose to settle in different settlements? 4. How is land used in settlements? 5. How have settlements changed overtime? 6. How has the land changed in our local area? <p>(plus geography skills)</p>	History	History	<p><u>The Great British Isles</u></p> <ol style="list-style-type: none"> 1. What are the key geographical features of the UK? 2. What are the human features of the UK? 3. What are the physical features of the UK? 4. What are the topographical features of the UK? 5. Where do we live? 6. What are the similarities and differences between the South West region and Greater London? (Comparison Study) 	History	<p><u>Changing Coasts</u></p> <ol style="list-style-type: none"> 1. What are coasts? 2. What is erosion and deposition? 3. Where are the UK coasts? 4. What are coastal defences? 5. Can I plan a fieldwork investigation? 6. What signs of erosion is there at Seaton beach and what is done to slow erosion down? (Fieldwork) 7. Can I present my fieldwork findings? 8. How does land use change?
4	History	<p><u>Energy</u></p> <ol style="list-style-type: none"> 1. What is energy and why is it important? 2. How does the UK generate its energy? 3. What is non-renewable energy? 4. What is renewable energy? 5. Can I plan a fieldtrip? 6. How many bikes and buses do we see around Torpoint? <p>(Fieldwork)</p> <ol style="list-style-type: none"> 7. Can I evaluate a geographical fieldtrip? 	History	History	<p><u>The Amazon - Rivers</u></p> <ol style="list-style-type: none"> 1. Can I map countries in South America? 2. What are some of the physical features of South America? 3. Can I describe the features and stages of a river? 4. What are the uses of the Amazon river? 5. What are the uses of the Tamar river? 6. What similarities and differences do the River Tamar and River Amazon share? <p>(Comparison study)</p>	<p><u>The Amazon – Rainforest</u></p> <ol style="list-style-type: none"> 1. Where are rainforests located around the world? 2. What are the different layers of the rainforest? 3. What is the significance of the equator, tropics and hemispheres? 4. What is the climate like in tropical regions? 5. How is land in the Amazon rainforest used? 6. Why and how are our rainforests under threat?
5	History	<p><u>Our Earth In Space</u></p> <ol style="list-style-type: none"> 1. How is the world divided up? 2. What are the main climate zones? 3. What are the Earth's major biomes? 4. What are the characteristics of the Earth's biomes? 5. What time is it around the world? 6. What is longitude and latitude? 	<p><u>Exploring Europe</u></p> <ol style="list-style-type: none"> 1. What countries are in Europe? 2. What are the capital cities in Europe? 3. What are the physical features of Europe? 4. What does climate look like in Europe? 5. What is human geography like in Europe? 6. How does South West, England compare to Compañia, Italy? (Comparison Study) 	History	<p><u>Our Living Planet</u></p> <ol style="list-style-type: none"> 1. What is climate change? 2. What are the causes and effects of climate change? 3. What are food miles and why are they important? 4. What is plastic waste and how is it damaging? 5. Can I plan a fieldwork investigation? 6. How much plastic waste is on our school grounds? (Fieldwork) 7. Can I present my fieldwork findings? 	History

<p style="text-align: center;">6</p>	<p><u>Natural Disasters</u></p> <ol style="list-style-type: none"> 1. How is the Earth structured? 2. Where and how are mountains formed? 3. Where and how are volcanoes formed? 4. What are earthquakes and why do we get them? 5. What impact do volcanoes have on people and the environment? 	<p><i>History</i></p>	<p><i>History</i></p>	<p><u>World War II</u></p> <ol style="list-style-type: none"> 1. How did the Blitz affect Torpoint? 2. Where did the Blitz affect Torpoint? (Fieldwork) 3. What did we learn from our fieldwork? 	<p><u>North America</u></p> <ol style="list-style-type: none"> 1. What is the geography of North America? 2. What are the climate zones and biomes of the USA? 3. What is the physical geography of the USA? 4. What is the human geography of the USA? 5. What are the similarities and differences between Cornwall and California? 	<p><i>History</i></p>
